History

#1 - 09/12/2017 05:22 PM - pespin

- Subject changed from ofono: check all services for simple use before register racecondition to ofono: check all services for simple use before register race condition

- Assignee set to lynxis

I assign the task to you because I'm not even sure what this task is about, but looks related to fixing stuff in ofono :-P
Otherwise assign it to group "osmo-gsm-tester".

#2 - 10/10/2017 09:15 AM - pespin

- Status changed from New to Closed

After discussion with lynxis, this is about having a workaround in which USSD code is send after modem states is registered in order to assert we are really registered.

#3 - 10/10/2017 09:15 AM - pespin

- Status changed from Closed to New

#4 - 10/10/2017 09:15 AM - pespin

- Related to Bug #2456: ofono: OsmGsmTester tests fail due to SierraW modem stating it is registered but it's not added

#5 - 10/10/2017 09:16 AM - pespin

- Related to Bug #2458: ofono: status=registered signal sent to ofono users before being attached added
