

OsmoBSC - Feature #2552

Support configuring voice via osmo-mgw as OSMUX instead of RTP

10/06/2017 02:37 PM - laforge

Status: Resolved	Start date: 10/06/2017
Priority: Normal	Due date:
Assignee: pespin	% Done: 100%
Category: RTP/Media	
Target version: OSMUX Generalization	
Spec Reference:	
Description	
The BSC needs to be able to request the use of OSMUX instead of RTP from osmo-mgw.	
The BTS-side connection of course (?) remains plain RTP, but the MSC-side connection could be either RTP or OSMUX, based on configuration, or even based on some proprietary IE present in the AoIP/BSSAP.
