

Osmocom Conferences (OsmoDevCon + OsmoCon) - Bug #3201

OsmoDevCon: Add one more rectangular table

04/23/2018 07:00 PM - laforge

Status:	New	Start date:	04/23/2018

Target version:	OsmoDevCon 2019		
Description			
the main room at IN-Berlin currently features three tables of relatively similar size. it would be great to have a fourth table with similar dimensions to place next to the sofa. Using the large oval table from the smaller room is not an option, and having only three tables is sub-optimal.
