

OsmoSTP - Bug #3367

osmo-stp debian package is missing example config

06/28/2018 08:04 PM - roh

Status: Resolved	Start date: 06/28/2018
Priority: Normal	Due date:
Assignee: pespin	% Done: 100%
Category:	
Target version:	
Description the package only contains these files: /lib /lib/systemd /lib/systemd/system /lib/systemd/system/osmo-stp.service /usr /usr/bin /usr/bin/osmo-stp /usr/share /usr/share/doc /usr/share/doc/osmo-stp /usr/share/doc/osmo-stp/changelog.gz /usr/share/doc/osmo-stp/copyright and should have some example config from the source in a subdir of the documentation like the other packages
