

Cellular Network Infrastructure - Bug #3694

Fix lintian warnings in .deb packages

11/14/2018 02:27 PM - msuraev

Status: New	Start date: 11/14/2018
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	
Target version:	
Spec Reference:	
Description There's a nice overview page with links to lintian errors/warnings for all the packages currently in Debian: https://qa.debian.org/developer.php?email=Debian-mobcom-maintainers%40lists.aliases.debian.org This gives a nice overview of what could be improved in our packages. Some of those are rather trivial to fix, others will require more work.
