

## Cellular Network Infrastructure - Bug #3753

### Update .deb to use dh\_missing

01/09/2019 01:36 PM - msuraev

<b>Status:</b> New	<b>Start date:</b> 01/09/2019
<b>Priority:</b> Low	<b>Due date:</b>

<b>Category:</b>	
<b>Target version:</b>	
<b>Spec Reference:</b>	
<b>Description</b>	
While building .deb for libosmocore following warning was observed:	
<pre>sed -i "/dependency_libs/ s/'.*'/'/'" `find . -name '*.la'` dh_install dh_install: Please use dh_missing --list-missing/--fail-missing instead dh_install: This feature will be removed in compat 12.</pre>	
We should follow this recommendation and update our packaging before compat 12 becomes mainstream. We should also check other Osmocom .deb packages because they might have similar issues.
