- Status changed from New to In Progress
- % Done changed from 0 to 10

I just re-checked, and at least with the current test suite I cannot generate any leaks in remsim-server or remsim-bankd. talloc accounting for asn1 is active and shows no leaks.

#2 - 05/08/2019 03:25 PM - laforge

- Status changed from In Progress to Rejected
