

libosmocore - Feature #4053

CTRL: Add CTRL cmd introspection to print documentation

06/10/2019 11:21 AM - pespin

Status: New	Start date: 06/10/2019
Priority: Low	Due date:
Assignee:	% Done: 0%
Category: libosmoctrl	
Target version:	
Spec Reference:	
Description We possibly want something similar to what we already have for VTY cmds and rate_ctrs, but applied to CTRL cmds. <ul style="list-style-type: none">• Add a VTY cmd (or extend "show online-help" or "show asciidoc") to extract a list of commands with information about which node they are in and which parameter do they have.• Add support for this command into osmo-python-tests/osmo_interact_*.py• Have that output feeded into the userManual.• Add CI checks in contrib/jenkins.sh for projects so that gerrit verifies that a commit doesn't leave the saved .xml/asciidoc file out of date. Last, we want to have some
