

OsmoPCU - Feature #1549

DRX support for GPRS

02/23/2016 03:05 PM - laforge

Status:	New	Start date:	02/23/2016
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:			
Target version:			
Spec Reference:			
Description			
I'm not sure we properly support and/or tested the DRX support in CCCH downlink in combination with GPRS.			

History

relates to <https://osmocom.org/issues/1942>

There is no DRX for the Paging PS case, which **should** lead to problems when paging in DRX mode.
