

OP25 - Bug #2161

Support OpenGL displays in usrp_p25_rx.py

04/22/2017 04:04 PM - stevie

Status: Closed	Start date:
Priority: High	Due date:
Assignee:	% Done: 0%
Category:	
Target version:	
Resolution: fixed	Spec Reference:
Description If the display style is "gl" and Python has OpenGL support then the fft and scope sinks use OpenGL versions. Unfortunately, this breaks OP25.
