

OsmoGSMTester - Feature #2209

osmo-gsm-tester: add test API to explicitly free a resource

04/27/2017 01:27 AM - neels

Status: New	Start date: 04/27/2017
Priority: Low	Due date:
Assignee: osmo-gsm-tester	% Done: 0%
Category:	
Target version:	
Spec Reference:	
Description resources like nitb, bts, modem are torn down automatically at the end of a test script or a suite, but the test script should be able to free such explicitly. (Note that a resource is always reserved for a suite no matter what; this issue asks only for the automatic cleanup being triggered and toggling the "used" flag back to "unused" -- and possibly back to "used" later on.)

History

#1 - 04/27/2017 01:27 AM - neels

For example:

```
nitb = suite.nitb()
ms = suite.modem()
nitb.start()
ms.connect(...)
[...]
suite.free(ms)
suite.free(nitb)
[...]
ms = suite.modem() # the same modem comes back, since it was freed
```
