

OsmoGSMTester - Feature #2266

in the gsm tester, use ipa.py from openbsc instead of the current CTRL implementation

05/16/2017 04:31 PM - neels

Status:	New	Start date:	05/16/2017
Priority:	Normal	Due date:	
Assignee:	osmo-gsm-tester	% Done:	0%
Category:			
Target version:			
Spec Reference:			
Description			
In openbsc, there is a new and better CTRL implementation, now adopted in the python tests: openbsc/openbsc/ipa.py Copy (?) that to the osmo-gsm-tester, replacing the current CTRL code (that came from the old tester and looks rather bad).			

History

#1 - 10/16/2017 12:36 PM - neels

note <https://gerrit.osmocom.org/4271> wich adds ipa.py to osmo-python-tests.git as osmo_ipa.py ... not sure if we want to depend on osmo-python-tests.git or copy to osmo-gsm-tester.
