

OsmoGSMTester - Feature #2318

testing sysmobts: skip copying of binaries when the same are already installed

06/07/2017 03:55 PM - neels

Status:	New	Start date:	06/07/2017
Priority:	Normal	Due date:	
Assignee:	osmo-gsm-tester	% Done:	0%
Category:			
Target version:			
Spec Reference:			
Description			
For each run using a sysmoBTS, we copy the built binaries over, even if the same are already there. Use the sysmobts artifact's checksum file to detect when the identical artifact is already on the sysmoBTS and skip copying if so.
