Description	
Once we have a logo for black background (see #3847), I'd like us to make some stickers with	
<ul style="list-style-type: none">• black background• foil, not paper (like the existing ones)• non-rectangular outline, just following "roughly" the outline of the logo with a few mm of black surrounding the letters• smaller than the existing ones, e.g. something like 8-9cm wide, instead of the current 12.5cm
