

OsmoMSC - Bug #3945

MSC_Tests.ttcn doesn't test UMTS AKA over GERAN/A

04/20/2019 08:46 PM - laforge

Status:	Resolved	Start date:	04/20/2019
Priority:	Normal	Due date:	
Assignee:	laforge	% Done:	100%
Category:	A interface (general)		
Target version:			
Resolution:			
Description			
The existing MSC_Tests.ttcn testsuite only tests 2G (GSM) authentication and doesn't verify if UMTS AKA over GSM would work on the A interface.			
There's a variety of combinations regarding capabilities of the MS/UE, Network, etc. and we should make sure to test all combinations thereof.			

History
