

IMSI Pseudonymization - Bug #4417

Applet: LU counter should only increase on successful location update

02/26/2020 12:38 PM - osmith

Status: New	Start date: 02/26/2020
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: Applet	
Target version:	
Spec Reference:	
Description With the current code, the LU counter seems to increase on every location update, no matter if successful or not.	
Related issues: Related to IMSI Pseudonymization - Feature #4478: Applet: proper warning afte... New 04/01/2020
