

OsmoBSC - Bug #68

ipaccess-config should work with -u ID -o IP -r BTS_IP

02/19/2016 10:47 PM - zecke2

Status: New	Start date:
Priority: Low	Due date:
Assignee:	% Done: 0%
Category:	
Target version:	
Spec Reference:	
Description	
Right now setting both the unit id and the OML address does not work. The BTS is restarted after the first ack. There should be some kind of job queue.. or at least an ACK counter.
